This computer program is designed specifically for 2-1/2 - 3 1/2 yr. olds. to introduce computer skills in a fun, exciting way. Thinking and problem solving are all part of being a "Cool Computer Detective." Classes are structured to provide the perfect mix of group interactivity and individual computer time. Children will have his/her own computer, along with plenty of personal attention from the teachers.

Monday

Hola!

Welcome to Spanish 101... Research shows that "Younger is Better" when it comes to learning a 2nd Language. This class offers a new approach to learning Spanish. Through songs, role playing and interactive lessons your child be introduced to the Spanish language in a fun and exciting way. All classes are taught by a certified and experienced teacher ready to make your child's learning experience a memorable one.

Teacher, Emily Schoenbach
Busy Beez Learning Program

Thursday

Cool, fun, funky, soulful music for the whole family! All of the Kimmy Schwimmy songs are part of an exciting new Preschool Music Curriculum that Kimmy has created. The new Kimmy Schwimmy Music Curriculum for Preschoolers is now being used in Mommy & Me Programs as well as Preschools across America, Japan, the UK, Australia and Canada!

Thursday

Palisades is proud to welcome "Danny Brown" and his incredible "SPORT STARZ" Program

Through the use of a variety of fun games incorporated with lots of physical activity, your child will develop their balance, movement, and coordination. It will also improve their ability to listen and follow directions while giving them the confidence to be part of a team.

Monday, Wednesday or Friday

Art for young pre-schoolers is all about experimenting and learning. Through a variety of materials children will paint, draw, sculpt & create. Success is achieved and self confidence is heightened. This is a wonderful way for children to express their feelings.

Teacher - Diane Tice
Wednesday

Dancing with the Tots

There are hundreds of ways for children to be creative. Each child has an individual and unique style. This class will help bring out that creative energy through imaginative role playing, games, music & dance.
