Dear Parents:

Palisades is dedicated to ensure the safety of our students; thus, we abide by the State of New Jersey's risk and safety procedures. In the event of an actual emergency, guided by the Police Department, our school will go into a "lockdown" to protect our children. In this type of situation, all teachers and children will remain in the school until we receive instructions from the Police Department.

Please complete the form below should it be necessary for Palisades to dismiss early. Please note there will be no bus service for emergency pick-ups.

Please complete the form below and return it to school on orientation.

Thank you for your cooperation. If you have any further questions, please call the office.

Sincerely,

Mary Ann Hubschman
